

North Penn Chess Club policy on awarding cash prizes:

- **If you are in contention for a prize, do not leave early without collecting your cash prize.**
- **NPCC will only hold uncollected cash prize money for one week at which time if the prize winner shows up to enter the next tournament, the player can claim his/her cash.**
- **Otherwise the money goes into the NPCC general fund.**
- **One exception is if a player takes a bye for the first round of the next tournament, his/her cash prize money can be claimed at round-2 of that tournament.**
